Compliance

Parents and carers are asked to support the school by ensuring their child attends school in the correct uniform every day. The school reserves the right to discuss any concerns regarding uniform requirements with families where necessary.

Support

The school recognises that the cost of school uniform may present financial difficulties for some families. No pupil should be disadvantaged in their access to education as a result of financial circumstances. Parents and carers experiencing financial hardship are encouraged to contact the school in confidence to discuss the support available. Where appropriate, the school may provide or facilitate access to pre-owned uniform, support with essential uniform items, or signpost families to

relevant sources of financial assistance. All requests for support will be treated sensitively, confidentially and without judgement. The school will seek to ensure that all pupils are appropriately dressed for school and are able to participate fully in school life with dignity.
