

Chestnut Curriculum - Term 4

We are Scientists:

Unit 1

How does my body digest food?

- Chestnut class will learn all about their teeth and what each type of tooth can do!
- We will also learn all about the digestion system and how it breaks down our food!

We are Geographers:

Unit 2

What is the journey a river goes on like?

Chestnut class will be learning about rivers! We will learn all about the different features of a river and are going to be writing a leaflet to inform the reader about what we have learnt.

We are Artists:

Unit 3

How can careful painting enhance my artwork?

- Chestnut will try to improve their mastery of art and design techniques, particularly painting.
- Chestnut class will study 'Paint me a poem' and create some amazing poetry alongside their artwork.

English

- Chestnut will engage in an exciting English unit at the end of term, considering the question: *Are giants as scary as they seem?* This unit will require lots of oracy and sharing of opinions before a film review is written!
- Children in Y3/4 will also write to inform all about the digestion system, showing off all their new knowledge with labelled pictures!

Maths

- Y3 and Y4 will be learning about fractions! Everyone will find fractions of amounts and compare and order fractions. Y4s will learn to add and subtract fractions with the same denominator.
- Y3 will move on to mass and capacity when Y4 move on to decimals.

Key Events

- World Book day
- Parents evenings
- Y3/4 tag rugby tournament
- British Science week
- Y4 swimming
- Assessment week (week 4)

Together, we learn, grow and flourish
