

Hazel Curriculum (Year 1) - Term 5

We are Scientists: Unit 1

How do humans and animals survive and change?

We will explore the fundamental needs of animals, including humans, focusing on the essentials for survival such as food, water and air. We will also examine the significance of exercise, balanced nutrition, and hygiene in maintaining human health. Additionally, we will study how various animals and humans have offspring that develop into adults, delving into the stages of different life cycles.

We are Mathematicians:

Multiplication and division

Count in 2s, 10s, 5s

Make equal groups

Fractions

Equal and unequal parts

Find a half / a quarter of an object and a quantity

Position and direction

Describe turns and position

Ordinal numbers

Unit 2

We are Philosophers:

How and why do we celebrate special and sacred times?

In our RE unit we will explore how and why we celebrate special and sacred times by examining various religious festivals and practices. We will learn more about significant events such as Easter and Eid, understanding their meanings and the traditions associated with them. Our aim will be to foster respect for diverse beliefs and highlight the importance of these celebrations in different communities.

We are Historians: Unit 3

VE Day: What was it and how did people celebrate the end of World War II in Europe?

We will embark on a journey to explore VE Day (Victory in Europe Day), commemorating the end of World War II in Europe. Through stories and discussions, we will gain insight into the daily lives of children during the 1940s, comparing past and present experiences. We will discover how people celebrated VE Day in 1945 with street parties, music, and dancing, reflecting on the importance of peace and community.

Together, we learn, grow and flourish

Key Events

- Class trip to Cotswold Wildlife Park & Gardens (30/04/25)
- PE on Tuesday & Thursday
- PE kit only on Thursdays
