

Oak Curriculum - Term 3

How did life change for the Victorians under Victoria's reign? **Unit 1**

Y6 will discover more about Queen Victoria, how life changed for Victorians during her reign (particularly the lives of children), what the education system was like and how society looked by the end of her reign. We will read extracts from the book *Street Child* to support our writing as a poor Victorian child.

We are Designers: How can we fix a hole in textiles? **Unit 2**

In our Victorian unit, we will learn that sewing was something that was taught in schools. We will also be learning how to sew using different stitches and even fixing some items of clothing that have holes in! We may even try sewing particular designs! Have any old socks that need mending? Send them in!

We are Scientists: What is in our Universe? **Unit 3**

We will be learning all about Space! We will learn a lot about the planets in our galaxy, black holes, gravity, our moon and more!
We will explore the history of space travel and will show off our knowledge in an informative report. We will also be learning about exceptional people who helped change space travel forever- people like Katherine Johnson.

English

History Unit

Writing a piece of narrative that contains dialogue. Dialogue must have correctly used punctuation and the reporting clause must be placed differently.

Science Unit

Correct use of semi colons and colons (to mark the boundary between clauses) and dashes, bullet points and subheadings to provide structure to a non-chron report.

We will be writing in the present tense.

Maths

In our lessons, we will divide and multiply by 10, 100, 1000 and 10,000, convert units of measure (e.g 6783m to km) and multiply and divide decimals.

We'll recap on shapes and then spend a while on angles.

If there is time, we will move on to statistics and data analysis,

We will be revising arithmetic and reasoning every day too!

Key Events

- Victorian dress up day! 14.01.2025
- PE will be on Wednesday afternoons (trainers) and Thursday mornings (kit)
- (clean) socks with holes needed please! Y6 will fix them for you!
- Look out for information about the Y6 London trip coming your way in January. Date for your diary: 09.07.2025.

Together, we learn, grow and flourish
