Sycamore Curriculum - Term 2 2026

We are Authors:

We will be exploring a text before writing our own narrative from a character's perspective. We will develop our descriptive writing, characterisation and ability to create atmosphere. Grammar focuses will include first-person narration, dialogue, expanded noun phrases and fronted adverbials.

We are Mathematicians:

Our main unit during term 2, will be fractions. We will cover key concepts such as identifying, comparing and ordering fractions, finding fractions of amounts, adding and subtracting fractions. We will also explore equivalent fractions and work on converting between improper fractions and mixed numbers. At the end of term, we will revisit multiplication and division and build on term 1 learning.

We are Theologians/ Philosophers:

Was Jesus the Messiah? Pupils will define and understand key vocabulary including incarnation, saviour, messiah and transfiguration. They will analyse and summarise bible passages and evaluate their effectiveness as evidence. We will then look outwards and try to understand how Christian's beliefs of Jesus as the Messiah affect the way they live their lives.

.

We are Geographers:

We will explore how lines of longitude and latitude help us locate places around the world, using maps, atlases and coordinates. We will investigate the Equator, the Prime Meridian and the hemispheres before writing a non-chronological report. We will focus on organising information into clear sections and using causal conjunctions to explain why and how things happen.

We are Scientists

We will investigate the properties of materials and explore reversible and irreversible changes through practical experiments. We will investigate dissolving, separating mixtures and changes of state, learning how to observe, record and explain our findings. We will write to inform, developing their use of colons and semi-colons to organise information and link related ideas clearly.

Additional Information for Term 2

- Hardenhuish Taster Day - Thursday 12th November
- Parents Evening - Tuesday 10th and Thursday 12th November
- Sheldon Play - Friday 11th December
