

Willow Curriculum (Year 1) - Term 1

We are Authors:

Unit 1

How do authors use super sentences to retell a story?

We will be reading and enjoying the book 'The Lion Inside'. We will then focus on accurate sentence structure and punctuation to retell the story in our own words. We will also develop our skill of editing our sentences.

We are Geographers:

Unit 2

What are the human and physical features of our local area?

In our geography unit we will be investigating the school grounds and local area using maps, photographs and fieldwork. We will investigate human and physical features. We will then make our own maps with basic symbols and a key.

We are Scientists:

Unit 3

What are materials and what are their properties?

In our science unit we will investigate what materials things are made from and describe the physical properties of these. We will then use this to compare, group and investigate different materials.

We are Philosophers:

Unit 4

Which stories are special and why?

In our RE unit we will be thinking about the sacred texts in Christianity and Islam and finding out about different stories within them. We will reflect on the messages they give, such as keeping promises and saying thank you.

We are Mathematicians:

Place value / addition

Count on from any number

Find 1 more and 1 less

Count backwards within 10

Compare groups: fewer, more, same

Compare and order numbers

Fact families: addition facts

Key Events

- Meet the teacher Tues 12th Sept 3:30pm
- PE will be on Monday and Thursday
- In term 1 we will go on a walk around the village to support our geography unit. Details to follow

Together, we learn, grow and flourish
