Willow Curriculum (Year 1) - Term 2

We are Authors:

How can I use adjectives to make my sentences more interesting?

We will be reading and enjoying the book 'Little Red and the very hungry Lion'. We will practise story sequencing and storytelling.
We will then focus on punctuation such as capital letters and full stops during retelling. We will also add adjectives to make our writing more exciting.

We are designers:

How can we make something delicious using fruit?

We will introduce children to the exciting process of designing, making and evaluating food products.

Children will develop their understanding of healthy eating and the importance of fruit as part of a balanced diet.

We will also develop our practical food preparation skills.

We are Mathematicians:

Addition and subtraction - we will:

- Explore fact families
- Explore number bonds within 10

Geometry 2D and 3D shapes -we will:

- Recognise and name 2D and 3D shapes

We are Scientists:

How can we tell that Autumn has arrived?

We will name signs that see outside to show that Autumn has arrived. We will observe leaves and weather linked to the changing season.
We will investigate how animals prepare in Autumn for Winter.

We are Theologians/ Philosophers:

Why does Christmas matter to Christians?

We will be retelling the Nativity story and recognising that Christmas is a celebration of Jesus' birth. We will identify some ways that Christians celebrate Christmas. We will reflect on the importance of giving and receiving in our own lives.

Additional Information for Term 1
